## **from InveniasPartners**

*Inside the C-Suite* is your monthly guide to a more powerful, effective healthcare C-Suite. You'll discover how your hospital, health system or payer organization can accelerate performance via C-Suite search, assessment, organizational development, succession planning and coaching. Stay informed and involved with features like Casebook, StatWatch, View from the Top and ResourceFile. And don't forget to follow Invenias on LinkedIn in Healthcare C-Suite Prescription, Facebook in Healthcare C-Suite Survival Guide and Twitter for more Healthcare news. To learn more about InveniasPartners and its journey to change the Executive Search and Leadership Consulting industry, please call (312)-321-1100 or email lucasc@inveniaspartners.com.

Curt Lucas established InveniasPartners in late 2012, after more than 20 years serving as a Partner for the two largest executive search firms in the world, Korn Ferry International and Heidrick & Struggles. InveniasPartners enjoys a national presence with six offices located throughout the United States with plans to further expand.

## **Do You Need a Healthcare Executive Coach?**

C-Suite healthcare executives often look to an executive coach to guide them through crises and damaged relationships with C-Suite colleagues, employees, medical staff and board members and community leaders.

But not every executive coach is created equal.  
Among the issues:

## The Changing Role of the Healthcare CTO

The position of Chief Technology Officer (CTO) within the healthcare C-Suite is still in a state of flux. Each healthcare organization (HCO) has a unique set of needs, priorities and organizational structures. One thing is sure: Demand for the CTO is on the upswing.

## How to Find the Right Healthcare Executive Search Firm

The value of healthcare executive search is easy to verify. Recruiting top-notch healthcare executives enables healthcare organizations (HCOs) to manage costs, improve quality, safety efficiency and outcomes, and move forward on major healthcare initiatives -from accountable care and population health management, to patient engagement and care across the continuum.
